

The 15th Universities Education Exhibition and Discourse.

The theme of the 15th Universities Education Exhibition and Discourse is positioning Universities in Innovation, Entrepreneurship and Technology Transfers in the Digital Era

Objectives

- (1) To present (provide) a one stop shop for display of University Programmes & Students Recruitment Opportunities
- (2) To undertake Academic Discourse on the State of higher Education in Kenya
- (3) To exhibit Industry systems and products, as well as present available career opportunities
- (4) To display current impacting University Research & Innovation
