- 2. Candidates are advised not to write on the question paper.**
- 3. Candidates must hand in their answer booklets to the invigilator while in the examination room.**

1. Those who argue that religion has nothing to do with economic development have no idea what religion or economics is all about. Discuss. (30 marks).
2. Measured in terms of aggregate growth rates, development has been a great success. But measured in terms of jobs, justice and the elimination of poverty, it has been a failure or only a partial success.” Discuss this statement. (20 marks).
3. Education is not an end in itself, but a means to spur personal and communal development. Discuss this statement citing specific examples. (20 marks).
4. It has been argued that Protestantism has spurred economic development in the spirit of Reformation, as opposed to Catholicism. Discuss this statement in relation to the thoughts of Max Webber and your own experience. (20 marks).
5. Give the meaning of the notion ‘option for the poor’ in relation to how Pastors ought to handle the rich in their congregations. (20 marks).
