QUESTION 5

Debraile the following passage. (20 marks.)

As a computer trip, I set up my timer. I was able to fall asleep in 5 hours' later. Suddenly, I woke up. I saw a very dark, empty space. As I looked up, I saw a million stars. I found whatever was in the center of the universe. I decided to tell you all about what I saw. I saw an enormous galaxy, containing nearly billions of planets. Astronomically, I saw a very significant, mature galaxy. I saw a big, blue, beautiful galaxy. I saw a very distant galaxy. It was a very interesting experience. I hope you enjoyed it.
